CENTRAL FLORIDA Veg Fest 2016

Greetings!

The 11th annual Central Florida Veg Fest will happen on Saturday, October 22 from 10:00 a.m. to 6:00 p.m. at Orlando Festival Park near downtown Orlando! It is now 2 days away!

Veg Fest posters and fliers are being distributed now. If you haven't received them and would like some, please contact Tori Stokes at Tori@CFVegFest.org or 954-909-3863. Please also promote Veg Fest on your website, to your e-mail lists, and any other way you can think of. Tools for doing so are on the [Promote](#) page of the website.

Please RSVP on the Veg Fest Facebook [event](#) page. Participants in the event are welcome to promote your participation there. Please also join the Veg Fest Facebook [community](#) page. Be sure to check out the two page ad for Veg Fest in the center of the October 19 issue of the Orlando Weekly!

If you would like to drop off some or all of your stuff Friday night, we will be at the park between 5:00-9:00 p.m. for you to do so. Afterward a security guard will be there until the next morning. Drive up Festival Way near Veg Fest Central. The next morning move your stuff from this area to your spot. Please do not actually set up your booth the night before without express permission after you arrive. Your booth may not be safeguarded.

Set up on Saturday starts at 7:00 a.m. I would suggest that you estimate the maximum amount of time you need to set up, add 1/2 hour to that, and show up that amount of time before 9:30 a.m. You will be able to pull up on Festival Way from E. Robinson Street. Please then follow directions to park in the main grass parking area immediately west of Festival Way. Please do not attempt to park in the concrete parking lot just north of E. Robinson Street unless you have been invited to do so. You should unload your vehicle after parking and not on Festival Way itself. Do NOT leave your vehicle on Festival Way. You will block other vendors, get a ticket, or get towed. We will have volunteers floating to watch your stuff and help you move it if necessary, but there may not be enough to assist everyone who needs it. Please help each other out if you can!

Please go to the [Vendor Packet](#) page of the website to download and read the Central Florida Veg Fest 2016 vendor information sheet. The vendor assignments and event map are on the Vendor Packet page of the website. Please cross reference these documents for your location. Sponsors, food court, and tent/table vendors will have their spaces marked (please center the front of your booth on the mark). Other vendors are in various locations that are not as strictly structured. These include: Animal Haven, Artist Corner, Veggies Kids Zone, Humane Education, Mind Body Spirit, Community Market, and Community Garden.

Vendors in the Food Court and in Tent Vendor spaces #1-34 have access to electricity. However, there are a limited number of electrical outlets (except on the west side of the Food Court spaces #1-10, which has plenty). Please bring long extension cords and power strips if you need electricity. Share and cooperate with your neighbors! And limit your use of electricity as much as possible. Otherwise the system will become overwhelmed.

Please reread vendor announcements #1.

During festival hours there is a 0% chance of rain with a high of 60 degrees and winds of 23 mph.

We are expecting a very large crowd Saturday! Have a great time!
