

CENTRAL FLORIDA VEG FEST 2020 VENDOR INFORMATION SHEET

Please read and abide by the following information to ensure the success of the event. And please make sure that your staff/volunteers read this sheet as well. We appreciate your cooperation!

Sometimes we have unpredictable weather in Florida. Short of a hurricane, the event will proceed. Let's hope for great weather!

You may arrange your booth space as you see fit. You may place signs, products, etc. just outside your tent within reason as long as it does not block pathways, views, etc.

We do not provide tents, tables, chairs, etc. to vendors except in exceptional circumstances (e.g., certain sponsors/vendors coming from out of town) determined well in advance of the event. You must provide everything you need for your booth. All tables at a booth should be covered by a tablecloth. Bring rocks or other heavy items to hold down paper at your booth.

All vendors must have a banner or sign identifying themselves. If you are selling anything, make sure that you have good signage with prices.

If your booth will be creating a significant amount of recyclables/trash, please bring the appropriate receptacle. There will be additional recycling/trash bins. Please keep the area around your booth clean and neat during and after the event. We want to leave the hubs looking better than when we arrived. Please minimize the amount of waste you create as much as possible.

Please do not surprise us with any significant changes to your registration. You never know how such changes may affect other vendors or the event as a whole.

Food vendors, please give a raffle ticket (that we will provide) to each person who makes a purchase from you.

Please respect that this is a vegan event. It is historically probably the largest vegan veg fest in the country, and we are very proud of that fact (for information on why the event is vegan, please go to the "Why Vegan?" page of the website under "Resources"). If you bring food/drink to the event for yourself or your volunteers, it should be vegan. Better yet, please support the awesome food vendors at the event.

This is a non-smoking event. If you see someone smoking, you may inform them of this and ask them to stop if you wish. Or you may notify one of our volunteers and we will do so.

The event ends at 6:00 p.m. Please don't leave early. That negatively affects the event as a whole and encourages others to leave early.

Thanks for participating in Central Florida Veg Fest! We look forward to a great event!
