Central Florida Veg Fest 2026
Vendor Load-In Instructions

Vendors must drive up Festival Way from E. Robinson Street (not E. Livingston Street). You will immediately be directed to a parking spot in the grass area to the west of Festival Way. Please unload from your parking spot not from Festival Way. Vendors in the Food Court may unload by their booth location but should move their vehicle to a parking spot in the grass area to the west of Festival Way as soon as possible.

Vendors unloading on Friday evening may stop on the east side of Festival Way.

Do not under any circumstances stop your vehicle to unload on E. Robinson Street, E. Livingston Street, or Maguire Boulevard. This is extremely dangerous and prohibited by traffic laws and park rules. Any vendor found doing this will be required to pay a $50.00 fine. Failure to pay this fine will result in banning from our future events.

Do not drive into the park from E. Robinson Street, E. Livingston Street, or Maguire Boulevard. You may cause damage to the park, which you will be required to compensate. Failure to pay this amount will result in banning from our future events.

Certain vendors may drive into the park from Festival Way with express permission and under direct supervision of an event organizer only on Friday evening.
